

General Information or Things You May Need to Know About Section 8

- What is Section 8?** This is a federally funded program to help low income families pay their rent. Generally, families pay 30% of their income towards rent and utility costs while the Housing Authority pays the balance of the rent to the landlord. The Housing Authority does not supply the apartment or house; each family finds their own home. The assistance stays with the family even when they move.
- What is a Waiting List?** We can only serve a set amount of households and when we have filled our programs we begin a waiting list. Interested people must complete a pre-application to be placed on the waiting list. It will be filed by date & time and you will receive a letter of receipt. When your pre-application reaches the top of the list, you will be notified by mail. You must submit requested information and documents in a timely manner to be eligible to participate in our rental assistance program.
- How Long Will I Wait?** Your receipt will give the best estimate we have for how long it will be.
- Do I Need to Update?** The Housing Authority will be contacting you by mail so be sure we have your current address at all times. **If you do not respond to our letter your name will be removed from the list.**
- Special Preferences?** Households with a minor, an elderly or handicapped member are placed before households with only adult members. We offer a *special preference* for households who are within the following definition. Terminally ill—A household member who is likely to die within two years in spite of medical treatment.

The Linn-Benton Housing Authority has NO emergency or immediate assistance available.

Notice of Rights and Obligations under the Violence Against Women Act 2005/2013 (VAWA)

President Bush signed the Violence Against Women Act of 2005 into law on January 5, 2005. The law was updated in 2013. Among other things, VAWA amended Federal Housing programs. This is a summary of those changes relating to Section 8 participants and landlords. VAWA protections apply to tenants and their immediate family or any individual living in the household. More information is contained in the Housing Authority's Section 8 Administrative Plan. Briefly:

Eligibility

A public housing agency may not deny assistance to an applicant on the basis of the applicant's current or past status as a victim of domestic violence, dating violence, sexual assault or stalking if the applicant otherwise qualifies for admission or assistance.

Protection from Termination of Assistance

A public housing agency may not terminate assistance to a participant in the voucher program on the basis of an incident or incidents of actual or threatened domestic violence, dating violence, sexual assault or stalking against that participant.

An incident or incidents of actual or threatened domestic violence, dating violence, sexual assault or stalking will not be construed as a serious or repeated violation of the lease by the victim or threatened victim of that violence and shall not be good cause for terminating the assistance, tenancy, or occupancy rights of the victim of such violence.

Criminal activity directly relating to domestic violence, dating violence, sexual assault or stalking, engaged in by a member of a tenant's household or any guest or other person under the tenant's control shall not be cause for termination of assistance, tenancy, or occupancy rights if the tenant or an immediate member of the tenant's family is the victim or threatened victim of that domestic violence, dating violence, sexual assault or stalking.

Bifurcation

An owner or manager may bifurcate a Section 8 tenancy (split the lease) in order to evict, remove, or terminate the tenancy of any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others, without evicting, removing, terminating the tenancy to, or otherwise penalizing the victim of such violence who is also a tenant or lawful occupant.

The Housing Authority may terminate any individual who engages in criminal acts of physical violence against family members or others, from a voucher assisted household.

Termination for Other Reasons

VAWA does not prevent an owner or manager from terminating the tenancy or evicting a Section 8 participant for any violation of a lease not premised on the act or acts of violence in question against the tenant or a member of the tenant's household, provided that the owner or manager does not subject an individual who is or has been a victim of domestic violence, dating violence, sexual assault or stalking to a more demanding standard than other tenants in determining whether to evict or terminate.

Actual and Imminent Threat to Others

VAWA allows an owner or manager to terminate the tenancy or evict a Section 8 participant if the owner or manager can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property if that tenant is not evicted. Similarly, the Housing Authority can terminate the housing assistance of a participant if it can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property if that tenant is not terminated from assistance.

Certification

An owner, manager, or the Housing Authority may request that an individual certify via a HUD approved certification form that the individual is a victim of domestic violence, dating violence, sexual assault or stalking, and that the incident or incidents in question are bona fide incidents of such actual or threatened abuse and meet the VAWA requirements. The certification shall include the name of the perpetrator. The individual shall provide such certification within 14 business days after the owner, manager, or Housing Authority requests such certification.

If the individual does not provide the certification within 14 business days after receipt of written request for such certification from the owner, manager, or Housing Authority, the owner, manager or Housing Authority is not restricted from otherwise lawfully terminating the tenancy, evicting or terminating the assistance of a Section 8 participant. The owner, manager, public housing agency, or assisted housing provider may extend the 14-day deadline at their discretion.

An individual may satisfy the certification requirement by:

- a) Providing the requesting owner, manager, or Housing Authority with documentation signed by an employee, agent, or volunteer of a victim service provider, an attorney, or a medical or mental health professional, from whom the victim has sought assistance in addressing domestic violence, dating violence, sexual assault, or stalking, or the effects of the abuse, in which the professional attests under penalty of perjury (28 U.S.C. 1746) to the professional's belief that the incident or incidents in question are bona fide incidents of abuse, and the victim of domestic violence, dating violence, or stalking has signed or attested to the documentation; *or*
- b) By producing a Federal, State, tribal, territorial, or local police or court record.

Conflicting Certifications

In cases where two household members claim to be the victim and name the other household member as the perpetrator, the Housing Authority can require third-party documentation.

Confidentiality

All information provided to an owner, manager, or the Housing Authority under VAWA including the fact that an individual is a victim of domestic violence, dating violence, sexual assault or stalking, shall be retained in confidence by an owner, manager, or Housing Authority, and shall neither be entered into any shared database nor provided to any related entity, except to the extent that disclosure is requested or consented to by the individual in writing, or; required for use in an eviction proceeding, or; otherwise required by applicable law.

Portability

A Section 8 participant may transfer their voucher assistance to another jurisdiction if the family has complied with all other obligations of the Section 8 program and has moved out of the assisted dwelling unit in order to protect the health or safety of an individual who is or has been the victim of domestic violence, dating violence, sexual assault or stalking and who reasonably believed he or she was imminently threatened by harm from further violence if he or she remained in the assisted dwelling unit.
