

PROPERTY AND LANDLORD LISTING

The following is a partial listing of properties, landlords, and property management firms in the Linn and Benton County area. This is provided to you as a resource in finding your new home. No guarantees are being made as to the availability or rent amount meeting limits imposed by HUD. Remember that each of these landlords has their own rental criteria. Some of the common requirements are credit checks and previous rental history. It is also important to note that they may not currently have available units.
